TERMS AND CONDITIONS OF SALE**

Payment and Security Terms. Buyer agrees to pay all invoices issued within thirty (30) days from the date of invoice. INA reserves the right to change such terms at any time, either for the class of trade generally or, with cause, for Buyer alone. INA shall have the right at any time to demand cash payment on or before shipment in any instance in which INA determines that Buyer’s credit is less than satisfactory, or for other good cause.

Buyer hereby grants and INA reserves a purchase money security interest in the goods purchased under this order, and in any proceeds of the goods, for the amount of the purchase price. Upon INA’s request, Buyer shall sign any document required to perfect such security interest. Buyer’s full payment of the purchase price of the goods purchased under this order shall release INA’s security interest.

Shipment Terms. Shipment is F.O.B. shipping point and includes no cartage, insurance charges, or taxes, unless INA decides, in its sole discretion, to use its own transportation equipment.

Risk of Loss. The risk of loss of the goods shall pass to Buyer upon loading of the goods into transportation equipment at the shipping point unless transportation is provided by INA’s equipment.

Shipment Dates. INA’s obligation to ship on time is expressly made subject to the terms of the force majeure clause set forth below. INA shall make every reasonable effort to meet any delivery date(s) requested by Buyer, but INA will not be liable for its failure to meet such date(s).

Installments. INA shall have the option to deliver the goods in two (2) or more installments.

Cancellation. In the event Buyer desires to cancel an order accepted by INA, Buyer shall provide a written explanation to INA, and the terms of cancellation shall then be subject to negotiation. However, INA in no event waives any remedies available to it under applicable law.

Patents. INA reserves the right to discontinue shipment of any goods, the manufacture, sale, or use of which in its opinion would involve patent infringement. This Order in no way provides Buyer with any license, express or implied, to practice or use any patented inventions or discoveries owned by INA. INA agrees to hold harmless and protect Buyer against all loss or damages in lawsuits arising from actual or alleged patent infringement by INA’s products, providing Buyer promptly notifies INA in writing of any such claim and gives INA sole control of the defense of the claim and all related settlement negotiation.

Special Orders. In the case or orders for non-catalog goods, Buyer agrees to accept ten (10) percent more or less than the amount ordered.

Limited Warranty. INA warrants only that the goods offered under this Order will conform to INA’s published specifications and will be free from defects in material or workmanship. If Buyer is purchasing non-catalog goods, INA warrants only that the goods will conform to the specifications mutually approved by the parties for the specific applications disclosed to INA and will be free from defects in material and workmanship. If Buyer rejects or revokes acceptance of any goods tendered under this Order, or attempts to

do so, Buyer must notify INA in writing fully specifying all claimed nonconformities. The failure to specify any nonconformity shall constitute a waiver of that nonconformity. No returns may be made and no credits will be granted without INA's prior written approval.

Notice of Breach of Warranty. After Buyer has accepted the goods and Buyer's right to revoke acceptance has expired, if buyer discovers that the goods breach any warranty, Buyer must notify INA in writing of the breach of warranty with seven (7) days after discovery of the breach. The notice must specify the facts constituting the alleged breach and must be sent by certified mail to INA's address. INA shall have a reasonable opportunity to investigate any alleged breach of warranty before INA has any obligation to take any remedial actions.

Remedies of Buyer. Buyer's exclusive remedy, and INA's liability, for shipment of nonconforming goods or any breach of warranty are expressly limited, at INA's option, to either replacement of the nonconforming goods at the F.O.B. shipping point, or refund of the purchase price. Further, all defective or nonconforming goods must be returned to INA, charges prepaid, and with complete information as to service and maintenance. INA shall have no responsibility for goods which have been improperly maintained or subjected to abuse in operation or assembly. INA shall not be responsible for any corrosion if Buyer has not taken reasonable steps to prevent corrosion from occurring.

INA shall not in any case be liable for special, incidental or consequential damages arising from breach of warranty, breach of contract, negligence, strict liability in tort, or any other legal theory. Such damages include, but are not limited to, loss of profits or revenue, loss of use of the goods, cost of capital, cost of any substitute goods, facilities or services, cost of any recall, or claims of customers or employees of Buyer for any such damages.

Neither Buyer nor INA will be responsible for any delay or failure of performance (other than to make payments due hereunder) if such delay or nonperformance is caused by acts of God, floods, fires, explosions, storms, transportation difficulties, strikes, lockouts, or other labor or industrial disturbances; any law, rule order or action of any court, agency or other instrumentality of the federal or any state local government; or exhaustion, reduction, unavailability, or delay in delivery of any product or material necessary in the manufacture of the goods to be sold hereunder (regardless of whether or not such exhaustion, reduction, unavailability, or delay is beyond such party's control, provided only that the same is not willfully done or brought about for the purpose of excusing failure or omission to perform or any other cause beyond a party's control. If any of the events or contingencies referred to in this provision occurs, INA shall have the right to curtail deliveries or allocate its supply of goods for sale among all of its customers in any manner which in its sole discretion is fair and reasonable in the circumstances, and Buyer shall not hold INA responsible in any manner for losses or damages which Buyer may incur as a result of such failure, curtailment or allocation by INA. Notwithstanding the foregoing, INA will make every reasonable effort to procure supplies and materials from alternate sources if necessary, and make every effort possible to meet and fill the orders of Buyer.

Waiver. A waiver of and/or failure to perform any one or more the conditions of these terms and conditions shall not constitute a waiver of or any excuse for nonperformance as to any other part of this or any other order.

Statute of Limitations. Any action for breach of these terms and conditions (including any breach of warranty) must be commenced within thirteen (13) months following delivery of the goods.
